The Humber Company delivered all the wheels and we paid for them.

Third. The early demand for Humber wheels was disappointing. Therefore an agreement was reached between us and the Humber Company in March whereby the price of Roadsters was reduced from \$100 to \$73, other models in proportion. We second noor, F then urged a still lower price. The heavy loss thus occasioned was di- Women's Fine lowed us Five Dollars per wheel and Gloves at 75c. vided. The odd-cent price finds no favor here, and for reasons that affect the interests of the retail buyer.
